# WELCOME TO THE PQ AWARDS 2021

Hello, good evening and welcome to the PQ Magazine awards 2021 live from Rogo's HQ in London's trendy Shoreditch district.

We really miss not having you here with us, but we hope for the winners it is still a memorable evening.

I would like to send a big thank you again to our independent judges for all their hard work. This year's team were: CIMA's Director of Relationship Programmes, Mark Foley; ACCA's Portfolio Head of Business Reporting, Sharon Machado; ICAEW's Director, Education & Qualifications, Shaun Robertson; ICB Director of Learning, Peter Stewart; and AAT's Head of Qualifications, Rachel (Kellett) Staples.

Congratulations on everyone shortlisted and a big well-done to our winners tonight.

**Graham Hambly, editor**

## TONIGHT'S ENTERTAINMENT

For one night only we give you Bruce Forsyth's  
**Play Your Cards Right!**

As Bruce would say, when it comes to Covid-19: "Nice two metres – two metres nice" – did you join in there on the last nice?

Pit yourself against such questions as:  
"We asked 100 accountancy students if they have ever fallen asleep in a lecture." Is it 20? Or is it higher or lower?

"good game, good game"
